Horatio - Genius for Hire: Within minutes of crashing into our world from a different universe (due to a calamitous trans-hyper velocity incident) Horatio quickly became embroiled in a desperate bid to save Planet Earth from imminent destruction! By using his mega-normous intellect, wild untampered imagination and a few high risk manoeuvres, he was able to prevent a planet smashing catastrophe.

...and now he is a 'Genius for Hire'! **Format:** 26 x 22 mins | 9 to 12 years

Magic Marlon is six. He lives with his mum and dad above his dad's shop in Gigglesworth. It is a mending shop and Marlon's dad Melvin mends things, but not with glue or nails or screws, he uses magic! ...It's magic mending in a whizz!

Format: 52 x 7 mins | 4 to 6 years

Coming soon to milkshake!

Herogliffix: a comedy adventure about three modern day teens whose DNA is ALMOST compatible with some ancient alien super high-tech suits designed to combat an ancient Egyptian evil from outer space! Alien suits? Affirmative. They happen to be designed in the days of the Pharaohs to combat interstellar bad guys who were a lot more prevalent in those days!

Format: 52 x 11 mins | 6 to 9 years
