Introduction

We've opened the door to a new world of enterprise investment for professional advisers and their clients. Welcome.

Kuber brings together investment opportunities in small and medium entrepreneurial businesses. These opportunities range from music to eco-technologies. Kuber works with a range of investment managers to offer a wide variety of companies but each company is also selected for its ability to qualify under HMRC's VCT, SITR, EIS or SEIS tax reliefs or for Business Relief.

What are tax efficient investment products (TEIPs)

The EIS and VCT was introduced by the UK government in 1994 to help small UK companies raise capital from private investment. Under the Platform, investors are rewarded with considerable tax incentives in return for injecting enterprise capital into AIM listed or unlisted companies.

There are restrictions on the size of business that can receive TEIP qualifying investment and some types of business are excluded. The EIS offers five generous tax incentives to private investors who are resident in the UK for tax purposes:

- Up to 30% upfront income tax relief
- Tax free growth
- Tax relief on any investment losses
- Up to 100% inheritance tax relief
- Capital gains tax deferral for the life of the investment

The first three benefits are available on amounts of up to £1 million per investor per tax year (£2m for Knowledge Intensive Companies (KIC)) with a facility to carry back to the previous year.

The investment must be held for at least three years following the issue of the shares (or following the start of trade if later). Each investee company must also continue to qualify under the EIS rules during the same period. Capital gains tax deferral is unlimited in amount. Exemption from inheritance tax depends on the investee company qualifying for Business Relief and the shares must be held for a minimum of 2 years at the date inheritance tax (IHT) comes in to charge.

Some portfolios may invest in Seed Enterprise Investment Scheme (SEIS) qualifying companies.

SEIS was introduced in April 2012 to offer greater tax relief in return for investing into smaller companies. SEIS provides income tax relief of up to 50% for individuals who invest in shares of qualifying companies, with an annual investment limit of £100,000 for individuals, and £150,000 per company; companies must have a trading history of under two years.

Venture Capital Trusts

VCTs invest in similar companies to EIS or SEIS, however, the tax treatment is different. Investors in VCT receive:

- 30% up front tax relief

- Dividends are paid tax free
- Capital gains are also tax free providing investors also qualify for income tax relief
- There are some differences with VCTs
- Unlike EIS, VCTs are legal fund structures so investors should benefit from a diversified range of underlying investments
- Tax certificates are generally available much faster than those from EIS or SEIS as you do not need to wait for the underlying investments to be made
- Apart from tax free growth, there are no other CGT benefits
- You cannot claim loss relief on VCT investment
- VCTs are not relevant business property and therefore do not benefit from IHT relief

Social Investment Tax Relief

Social Investment Tax Relief (SITR) is the government's tax relief for social investment which encourages individuals to support charities and social enterprises.

SITR investments receive similar tax incentives to EIS, however the types of qualifying investments are limited to charities and social enterprises.

With SEIS, CGT benefits are more generous with capital gains tax reinvestment relief, providing relief on 50% of the qualifying gains invested in SEIS qualifying companies.

Introduction Continued

Since its introduction in 1994, the EIS market has grown significantly, and EIS shares have been issued across a range of industries, from media to renewable energy.

Business Relief Investments

Business Relief Investments or BR investments are investments in private or AIM listed companies, which have the potential to qualify as Relevant Business Property (see below).

The difference between BR Investments and EIS or SEIS investments is that BR Investments will qualify for certain IHT benefits but not for other tax reliefs such as Income tax relief or CGT deferral.

What is Business Relief?

Business Relief (BR), formerly known as Business Property Relief, is a relief from inheritance tax (IHT) in respect of qualifying business property.

Relief may be obtained depending on the category of RBP held. The property must be held by an individual for two years in order to qualify (see below) and there are restrictions regarding the nature of the property.

What property can qualify for 100% relief?

If the ownership period condition is satisfied (and no exclusions apply), the following property may qualify for 100% relief:

- Any unquoted shares (including those listed on AIM);
- A business or interest in a business; and
- Unquoted company securities, but only where the securities (combined with any unquoted shares) give the owner control of the company.

Exclusions

There are additional requirements which must be satisfied for the property to be able to qualify. These include the underlying business not consisting wholly or mainly of the following:

- Dealing in securities, stocks or shares;
- Dealing in land or buildings; or
- Making or holding investments.

Minimum period of ownership

As a general rule the property must have been owned by the individual for two years in order to qualify for BR.

There are however relaxations of this rule in limited circumstances. These include:

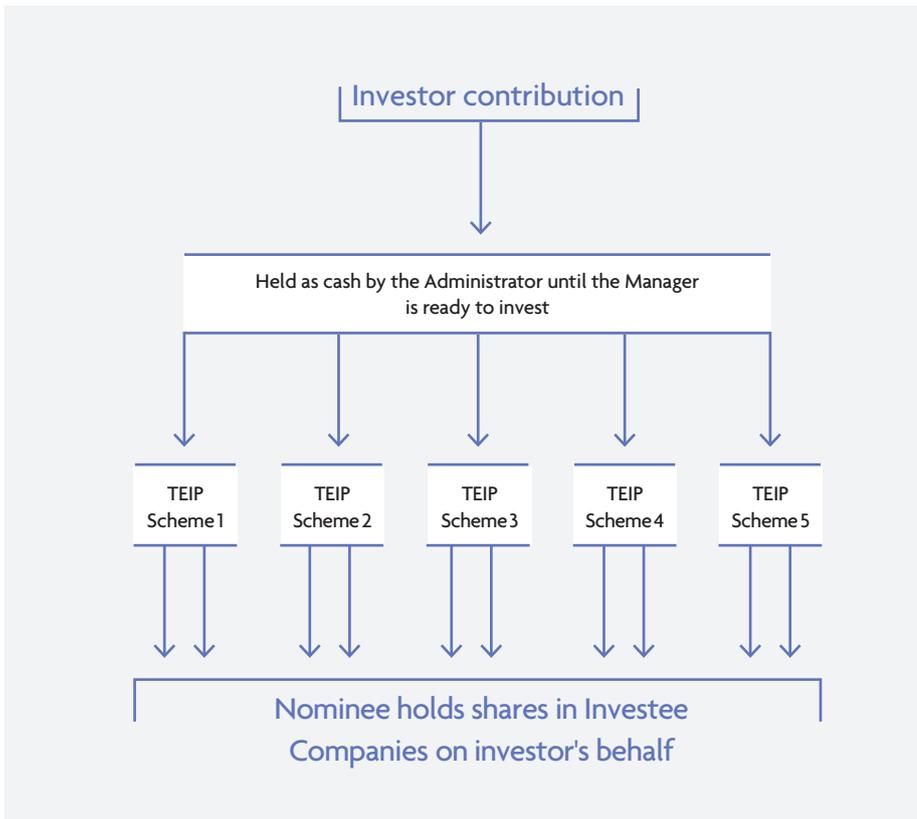

- Where the property is transferred to a spouse or civil partner on death. In this instance the survivor may essentially inherit the deceased individual's ownership period; and
- Replacement Business Relief. If BR qualifying assets are replaced by assets which would also qualify for BR, then the minimum period of ownership may be reduced by the ownership period of the original assets.

Minimum investment

The minimum single lump sum investment is £20,000, with a minimum investment of £5,000 for most EIS or SEIS Schemes.

What is the Kuber Platform?

Kuber offers a platform to advisers and their clients providing access to EIS, SEIS and Business Relief qualifying products from a range of managers and portfolios.

Kuber is based on the same principle as traditional fund platforms: it gives you access to a range of Schemes in one place using one application form. The main difference between Kuber and traditional fund platforms is that we don't offer traditional funds; we offer access to TEIPS and to opportunities that qualify for Business Relief.

Most Schemes are not like traditional funds. They are actually individual investments with no legal fund structure that aim to meet EIS, SEIS or BR qualifying rules. Some Schemes are structured as Alternative Investment Funds which also invest in new shares issued by trading companies that aim to meet EIS, SEIS or BR qualifying rules.

How does Kuber work?

1. The adviser signs up to the Terms and Conditions of the Platform.
2. The investor is invited to join and review two agreements:
 - 2.a. Platform User Agreement (please see Appendix 2 of this Platform Guide);
 - 2.b. Investor Agreement (please see Appendix 3 of this Platform Guide).
3. The investor will be shown products from the Platform the adviser believes are suitable.
4. The investor confirms the investment by signing the Application Form.

After the application form has been processed and approved, investor contributions will be deposited in a client account operated by the Administrator on behalf of the Managers selected from the Scheme options available on the application form. The Administrator will initially hold contributions in the client account, pending investment by the selected Managers. As each Manager identifies a suitable company, it will instruct the Administrator to subscribe for shares in that company or will request the necessary funds from the Administrator in order to allow the Manager to invest using its own custody arrangements. This process continues until the allocation to the Scheme in question has been fully invested.

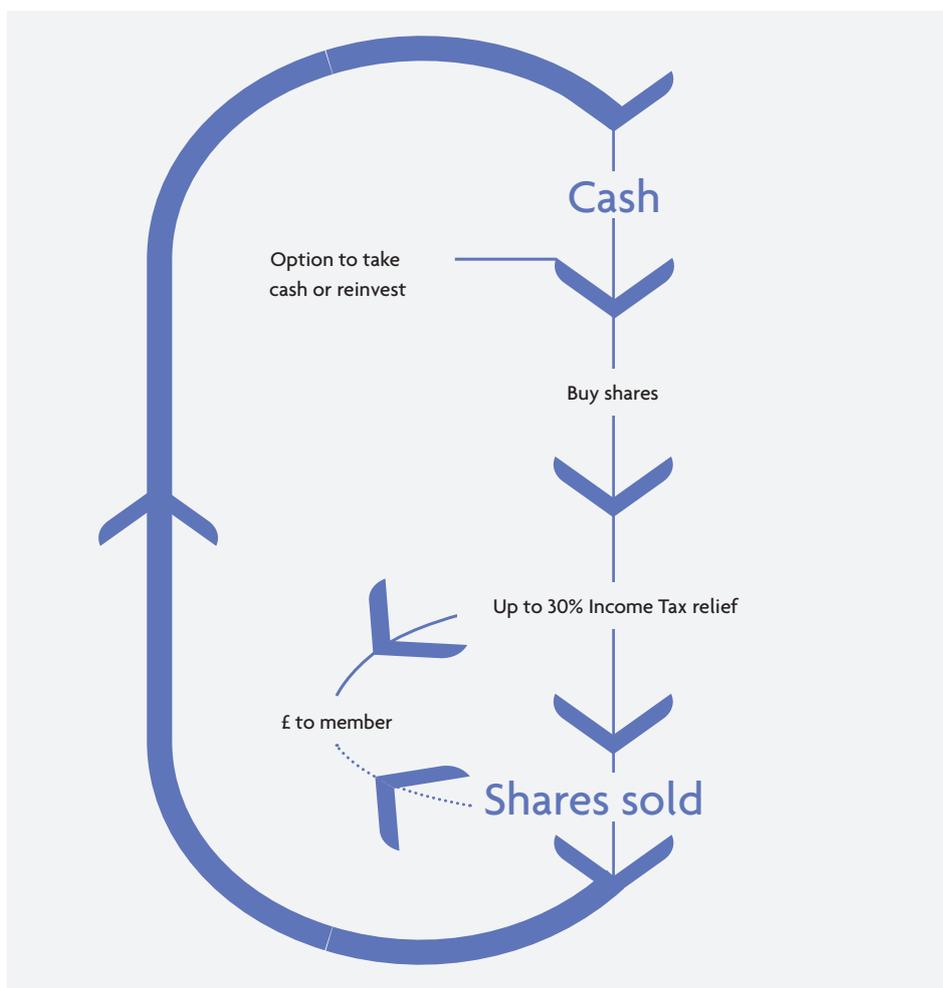

Under the terms of the Investment Management Agreement with the Managers, the Managers have discretion to select suitable companies for the investor.

Cash held by the Administrator can be returned on request providing the funds have not already been committed to an investment.

As investments are sold and cash is returned from the Manager, there will be the opportunity to re-invest the proceeds or receive cash.

Whenever proceeds from a realised investment are used to subscribe for new EIS Shares, the investor will be able to claim additional tax benefits.

When you complete the application, you will select a number of Schemes managed by different Managers.

What does Kuber provide access to?

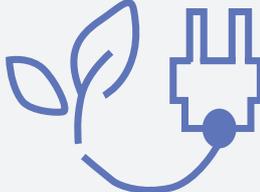

The chosen Manager(s) will use the investor's subscription to Kuber to buy shares in companies that meet certain criteria to qualify as EIS, SEIS or BR Investments. A company meeting these criteria is referred to as a 'Qualifying Company'.

EIS, SEIS or BR investments can be made across a diverse range of business sectors. Examples of the industries that you gain exposure to via Kuber could include:

- Business services
- Engineering
- Entertainment
- Environmental building products
- Healthcare
- Leisure and catering
- Media
- Energy (renewable and traditional)
- Software development
- Support services
- Traditional energy
- Transportation

You will find more details of the different investment options on the Kuber Website www.kuberventures.com

If you want to invest through Kuber, you should read this Platform Guide in full, together with the relevant Guide to Investing and the relevant Information Memorandums.

TEIP Tax benefits

In this "TEIP tax benefits" section; references to "you" and "your" refer to a generic investor who may qualify for certain reliefs based on their personal circumstances.

This section provides a guide to the tax implications of making an investment with Kuber and is based on current understanding of UK tax law and practice. It does not set out all of the rules or regulations that must be adhered to and should not be interpreted as the provision of tax, legal or financial advice.

EIS and SEIS Relief is only available on the amounts subscribed for shares in Investee Companies and its availability is dependent on individual circumstances. Business Relief also depends on meeting certain criteria. Should the investor have any further questions, they should contact their financial adviser.

Tax reliefs in more detail

Investing in EIS and SEIS Qualifying Companies gives you access to five generous tax incentives:

Income tax relief

Income tax relief allows you to reduce your income tax liability or reclaim income tax already paid by up to 30% for EIS or 50% for SEIS. You cannot reclaim tax that you have not paid, (eg if your income tax liability is £5,000 and you make an EIS investment of £50,000, relief would be limited to £5,000 rather than £15,000). The shares must be retained for at least three years from investment, or from when the Investee Company started trading, if later. Otherwise the income tax relief will be clawed back by HMRC.

Capital Gains Tax (CGT) exemption

You receive exemption from capital gains tax on the disposal of EIS and SEIS Shares, provided you have held them for at least three full years from investment, or from when the Investee Company started trading, if later.

If no claim to income tax is made, then any subsequent disposal of the shares will not qualify for exemption from CGT.

CGT deferral

If you make a chargeable gain on the disposal of other assets, you can defer that gain through CGT deferral relief by reinvesting the gain in EIS Shares.

In order to qualify for CGT deferral relief, you must invest in EIS shares within the period one year before and three years after the disposal. The CGT on this gain is then deferred until you dispose of the EIS Shares, or earlier if the Investee Company loses its EIS qualifying status.

SEIS CGT re-investment relief

This relief is now a permanent feature of SEIS, providing relief on half the qualifying gains that individuals reinvest in SEIS qualifying companies.

TEIP Tax benefits continued

100% Inheritance Tax (IHT) relief

Investments in EIS, SEIS and other BR qualifying shares usually qualify for 100% inheritance tax relief after they have been held for two years.

This is because, in most cases, the Shares should qualify as “relevant business property” for Business Relief purposes.

When the shares in BR qualifying investments are sold the cash proceeds will cease to qualify for BR, however, if you reinvest the proceeds they should then qualify for Replacement Property Relief, which means that the two year holding period is applied to the combined holdings. See the Glossary for more details.

Please note that these reliefs from IHT only apply if the shares are still held at your death and that they still meet the qualifying rules. The relief will not apply if you hold the shares for two years and then sell them for cash. However, if you die in the two year period and your spouse inherits the BR qualifying Shares the holding periods of both you and your spouse are combined in order to determine whether the two year holding period condition has been satisfied on the subsequent death of your spouse.

Loss relief

If the Shares are disposed of at a loss, you can elect that the amount of the loss, less any income tax relief given, be set against income in the year in which they were disposed of, or any income of the previous tax year (or a combination of the two) instead of being set off against any capital gains.

Loss relief – how can this be a good thing?

Many EIS/SEIS investments make a profit, and this gain is tax free. However, even though the Managers work very hard to avoid losses, the fact is that the EIS/SEIS investments are high risk and some of the businesses invested in may fail completely and other shares may be sold at a loss. If this is the case, HMRC allows tax relief on realised losses, giving you unparalleled downside protection. For example:

- You subscribe £1,000 in EIS Shares
- You benefit from £300 income tax relief giving you a base cost of £700
- Assuming you hold the shares for the relevant period, then income tax relief is available if you sell them for less than £700. This relief is available in the tax year that you sell the shares, or you can carry it back to the previous tax year

- The losses that you made from these EIS Shares are not offset against any gains you make on other shares

This means that you enjoy tax free gains on successful investments but get tax relief on losses.

If an investment is sold at a loss within the EIS or SEIS qualifying period, you will lose the SEIS/EIS income tax relief on amount of proceeds you receive from the sale, although you will continue to benefit from EIS/SEIS relief on the difference between the cost of the investment and the sale proceeds.

For example, John invested £100 in an EIS and received £30 income tax relief initially. A year later he sold the investment for £50, a loss of 50%.

John had to repay half of the income tax relief (£15) because the investment was sold within 3 years, but could claim loss relief at his marginal rate of income tax, 40%, on £85 (£100-£15) leaving him with a net relief of £34-£15=£19. So overall, he invested £100 and recovered £50 from the sale and £34 in tax relief (£15 income tax relief and £19 loss relief) meaning that he recovered £84.

TEIP Tax benefits continued

The amount of tax relief available under the EIS is not unlimited.

HMRC limits

The amount of tax relief available under the EIS is limited to the amount of tax you have paid with an absolute annual limit of £300,000 income tax relief for EIS and £50,000 for SEIS. If you invest in Knowledge Intensive EIS Companies ("KIC") you can qualify for an additional £300k of income tax relief. This means that in order to gain full income tax relief, you should not invest more than £1million in EIS which do not qualify as KIC or £100,000 in SEIS for each tax year, £1million per individual and for SEIS.

SEIS/EIS Income tax relief and SEIS Capital gains reinvestment relief can be carried back to the previous tax year. Companies which carry out significant research and development may qualify as Knowledge Intensive Companies. From the 2017/2018 tax year onwards, Investors can invest £2m in EIS qualifying companies and claim the maximum £600k in income tax relief providing the 2nd £1m is in Knowledge Intensive Companies.

Therefore, assuming no EIS investments have been made in previous years, the effective limit for the 2019/2020 tax year EIS is £3,000,000 (calculated as £1,000,000 for EIS in the 2018/2019 tax year, £1,000,000 in KIC EIS in the 2018/2019 tax year and £1,000,000 in EIS carried back to the 2017/2018 tax year).

In addition, for SEIS the limit is £200,000 calculated as £100,000 for each of 2018/2019 and 2017/2018 tax years.

Income tax relief is further limited to the amount of income tax paid by you in the year that it's claimed. You can't claim back more tax than you have paid. This includes income tax deducted at source on salary and bonuses but not the tax treated as deducted at source from dividends. There is no lifetime limit for investors in EIS, but you should note that existing funds being reinvested also count towards your annual limits.

How to claim tax relief

You are only able to claim relief when your contributions via Kuber have been invested by the Managers in the underlying Investee Companies and you have received an EIS3 certificate. The EIS3 certificate will be issued once companies have met the qualifying rules and these will be collated and dispatched by Kuber at regular intervals.

Your tax claim should be made on your self assessment tax return for the tax year in which the EIS Shares were issued. If the shares were issued in a previous year, and/or if the claim is for Capital Gains Deferral Relief, the claim part of the form must also be completed and sent to your tax office.

If you have an EIS3 form for an investment in a tax year that has not ended and for which you have not yet received a tax return, you can request a change to your PAYE tax code, or an adjustment to any self assessment payment on account due. However you'll still have to make the claim itself on your tax return.

You can claim for relief up to five years after January 31st following the tax year in which the investment was made. Once you have made your first income tax relief claim, it's expected that HMRC will issue you with a self assessment tax return every year. In some cases it can take eighteen months or more from the time contributions are invested in the Schemes to claim the income tax relief.

Tax treatments vary depending on the investor's personal circumstances. Your adviser will assist you if you have further questions.

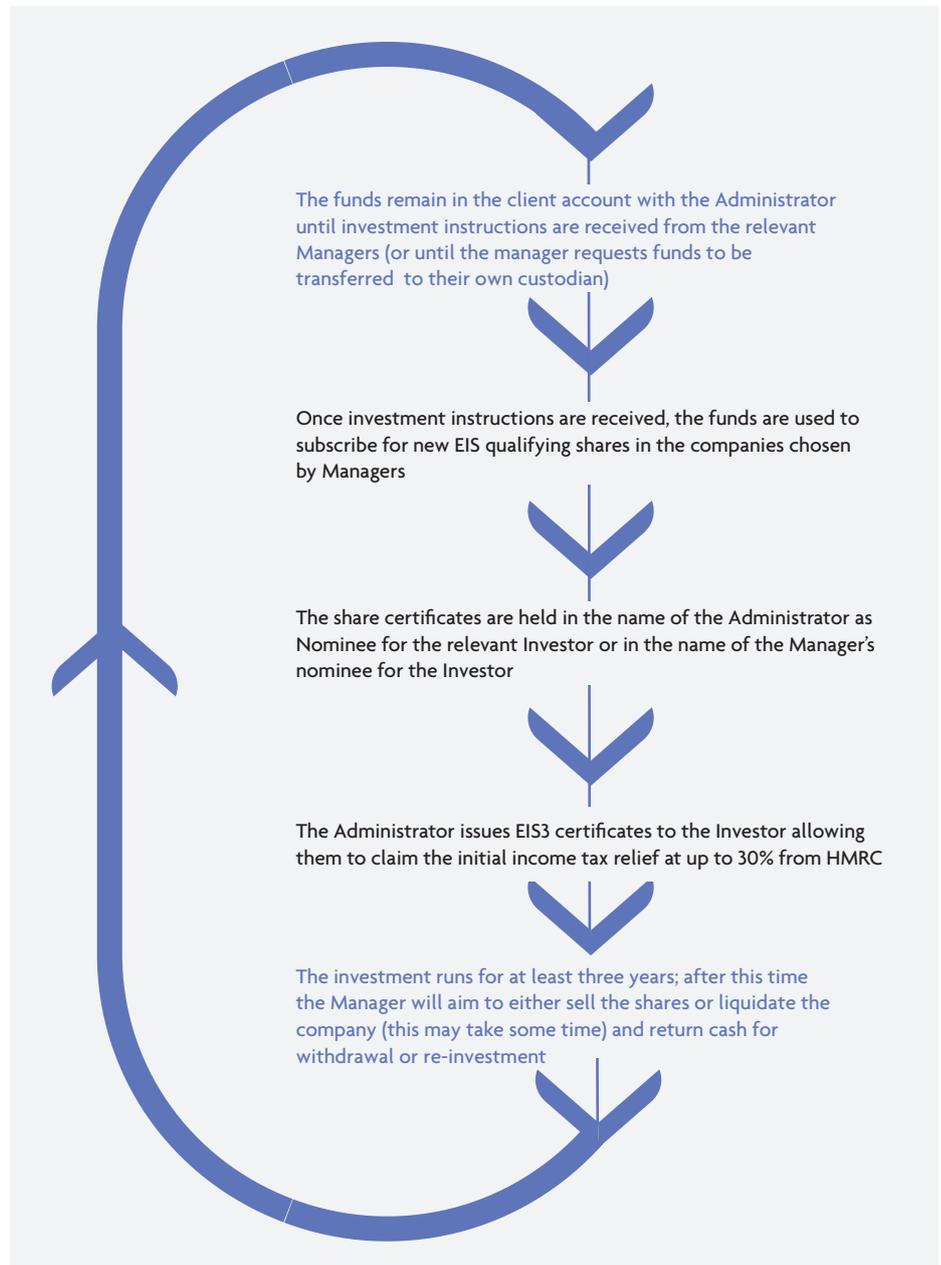

Administration

The Administrator and Custodian for investments made via Kuber is Woodside Corporate Services Limited ('WCSL') which is authorised and regulated by the Financial Conduct Authority to hold client money and assets.

WCSL is a wholly-owned subsidiary and member of the Woodside Secretaries Limited ('WSL') group of companies. WSL is a wholly owned subsidiary of Tricor ATC Solutions LLP, part of the Tricor Group based in Hong Kong.

The principal business of WSL is corporate secretarial and corporate administration services.

WCSL's main activities are as Receiving Agent, Custodian, Security Trustee, Nominee and Administrator of LLPs and EIS Portfolios.

How much will it cost?

The charges that will apply to any investment made through Kuber are intended to be clear and simple.

Charges

The investor may be liable to pay fees to their financial adviser in relation to the investment through Kuber. If so, the investor may instruct the Administrator to settle the fees due from the money which is subscribed. The Administrator will set aside an allocation sufficient to compensate the adviser for the cost of the advice (excluding VAT, if any, for which the investor remains responsible).

The basis upon which this payment is made will depend upon the instructions you provide on your Application Form. Initial adviser charges will be deducted from your investment before any money is transferred to a Scheme. Where you have agreed to pay your adviser an annual fee through Kuber, an amount sufficient to cover 4 years fees (calculated on the subscriptions amount net of initial fees) may be held back and not invested. If at the end of the 4 year period there have been no realisations the Administrator may not be able to continue to pay your adviser on your behalf and you will need to settle their account separately.

Please note that this arrangement only refers to advice from an adviser regulated by the Financial Conduct Authority and not to advice which may have been sought from legal or taxation professionals etc.

The following charges will apply to investments made via Kuber:

- An initial Platform fee of 1.5% of the total subscription, which is deducted from the investment.
- An ongoing Platform fee of 0.2% is charged and annual fees totaling 3 years' worth are taken from the initial subscription amount.
- A Platform subscription fee of £59 for S/EIS investments or £29 for BR/VCT investments.
- Kuber has, where possible, negotiated reduced fees with Managers to offset the costs associated with investing through Kuber.
- No additional Initial Kuber Platform charges upon reinvestment.
- Dividend payments: where you have selected a fund/funds that pay out dividends, a bank transfer fee of £15.00 + VAT will apply and is subject to a £500.00 minimum threshold before the dividends are paid out.

Where the Manager charges a fee directly to the investor this fee may be reduced. However, where the Manager charges a fee to the Investee Companies it will not be possible for this fee to be reduced. In these circumstances the Manager may arrange to rebate part of their fee received from the Investee Company to the client account for the investor's benefit. This amount can then be used to purchase additional shares in subsequent investee companies.

In some instances, the Manager may allocate additional shares instead of cash rebates.

Due to the illiquid nature of the underlying investments, the investor is required to retain sufficient cash on the platform to cover 4 years ongoing fees due to the Scheme, the underlying managers or the adviser. In the circumstances that there is insufficient cash on account to cover ongoing fees due to the Scheme, fees will be deferred and paid out of dividends received, or proceeds from the sale of an investment.

Manager fees are in addition and outlined in the relevant provider's Information Memorandum. VAT will be added where applicable.

Adviser fees are calculated on a daily basis on net assets under administration and are paid six monthly.

Manager charges may vary, please refer to the appropriate 'Information Memorandum' for full details. In addition, each Manager, or an affiliate of such Manager, may be separately engaged by some or all of the underlying Investee Companies to assist them in carrying on their businesses and/or provide certain administration services, in consideration of which, the manager will receive fees at commercial rates. All of these fees and charges are subject to change.

Risks

You must carefully consider all of the information contained in this Guide to help determine whether an investment with Kuber constitutes a suitable investment for the investor in light of their personal circumstances, tax position and the financial resources available to them.

The Managers will be investing in unquoted, high risk companies, which are not suitable for all types of investor.

This section details the material risk factors that we believe could adversely impact an investment through Kuber or the availability of tax reliefs to the investor. It does not represent an exhaustive list of risks factors, nor have they been set out in any particular order of priority.

Investment risks

- There is generally no external market for shares issued by EIS Qualifying Companies and it could be difficult or even impossible to realise the investment or obtain accurate performance information.
- The return on any EIS Portfolio will depend greatly on the Manager's performance. Past performance of any Manager is no guide to future performance.
- EIS Shares will not be listed on a recognised Stock Exchange. An investment in EIS Shares should be regarded as a longer term investment (a minimum of three years to retain the tax reliefs, but please bear in mind that disposal or realisation of an EIS investment may take much longer than this). Realisation of the investment will generally depend on the Exit available to the Managers,

and that in turn can be significantly affected by external market circumstances over which they have no effective control.

- Investments in small or medium unquoted companies by their nature involve a high degree of risk and there is a strong possibility of EIS Qualifying Companies failing. Capital is at risk and the investor may not receive back the amount invested or any return.
- There is no guarantee that the market value of an EIS company will fully reflect the underlying net asset value. Investors should be aware that the value of an investment in an EIS Portfolio and the income (if any) derived from it may go down as well as up.
- The expected life of each EIS investment is three to seven years or more.
- EIS Managers reserve the right to realise an investment within the three year period if this is considered by them to represent a worthwhile return on the investment; however, this would jeopardise the availability (or continued availability) of appropriate EIS tax reliefs and benefits.
- Any returns accrued from cash deposits will principally be affected by movements in interest rates.

Commercial risks

- Investee Companies may be exposed to exchange rate fluctuations which affect both the profits of the company and the value of the shares.
- EIS Qualifying Companies typically have small management teams and are highly dependent on the skills and experience of a small number of individuals.

Tax and regulatory risks

- Tax reliefs are subject to approval by HMRC in accordance with their qualifying rules, which could change from time to time.
- It may take some considerable time from the date shares are issued to obtain the income tax relief.
- Business Relief for inheritance tax only applies when an IHT event takes place and applies to shares but not to cash proceeds or cash awaiting investment. Shares must have been held for two or more years and must still meet the qualifying requirements.
- There is no guarantee that EIS qualifying investments will be available to re-invest into when investment proceeds are returned to the Administrator.
- The various tax benefits described in this Guide are based on Kuber's understanding of the current tax legislation and HMRC practice. This interpretation may subsequently be found to be incorrect. Tax legislation and HMRC practice may change in the future in a manner which could adversely affect the investment.

Risks Continued

- The amount of tax relief the investor may gain from subscription through Kuber depends on their own personal circumstances.
- The Managers will take all reasonable steps to make sure that tax relief is available on all investments made by the Schemes. However, tax relief could be withdrawn or modified in certain circumstances and neither Kuber, nor the Managers, nor the Administrator accepts any liability for any loss or damages suffered by the investor or other person as a consequence of such relief being denied or withdrawn or reduced.
- The investor may lose some or all of the tax benefits derived under the EIS if they fail to comply with the relevant legislation. Such a situation might arise, for example, if they cease to be a UK tax resident during the Relevant Period or they receive value from an Investee Company, other than by way of an ordinary dividend, in the period commencing one year prior to the issue of EIS Qualifying Shares to the end of the Relevant Period.
- Where an Investee Company ceases to carry on a Qualifying Trade during the Relevant Period, whether through the actions taken by the Investee Company or otherwise, its EIS qualifying status may be adversely affected and therefore so will the tax relief available to the investor. No guarantee can be given that all investments made by the Managers will carry on a Qualifying Trade, or continue doing so, for the purpose of claiming tax relief. The Managers will implement measures to reduce this risk, such as seeking advanced assurance from HMRC that each company in a Scheme is an EIS Qualifying Company.
- The Investor is advised that funds subscribed to a given Scheme may not be invested for some time after the Acceptance Date and that as a result, certain Tax Benefits may not apply until the monies are invested in accordance with the Investor Agreement.
- No guarantee can be given that an Investee Company will retain EIS qualifying status.
- Any disposal of EIS Shares during the Relevant Period will crystallise an obligation to repay the income tax relief claimed in respect of those shares, and any capital gain will be subject to capital gains tax.

Regulation and investor protection

An EIS/SEIS “Scheme” is in most cases either an alternative investment fund (AIF) or a form of discretionary managed account. The Managers, and Administrator are authorised and regulated by the Financial Conduct Authority (“FCA”). Each investor in a Scheme is treated as a direct client of each of the Managers.

In cases where the Scheme is classified as an Alternative Investment Fund (AIF) and is only suitable for certain investors, this will be made clear in the relevant Information Memorandum.

It is the responsibility of the adviser and their client to ensure that the investments made through the Platform are suitable for the investor.

Under the terms of the agreement with the Custodian (Appendix 4); cash invested through Kuber pending investment is held by WCS Nominees Limited the nominee company of the Administrator and will be deposited with one or more major UK banks in accordance with the FCA’s Client Money Rules. It will be held subject to the protection of the Financial Services Compensation Scheme, meaning that in the event that any bank with which funds are deposited becomes unable to meet its liabilities, each identifiable depositor (provided he or she is an eligible claimant under the FSCS) becomes entitled to a maximum of £85,000 in compensation. The Administrator will make all deposits of cash, and maintain its own records, in such a way as to ensure that each such amount deposited can be separately tracked back to the subscribing investor concerned.

In the event that the Manager of a EIS/SEIS Scheme is in default, causing loss to investors in that Scheme, then subject to such clients being eligible claimants under the rules of the Financial Services Compensation Scheme, they would be entitled to a maximum of £50,000 compensation for the loss.

If investors have a complaint against a person regulated by the FCA with whom they have a client relationship, the investor should always approach that person first to see if the complaint can be resolved. However, the investor also has the parallel right to raise a complaint with the Financial Ombudsman Service if they are an “eligible complainant”.

All data provided to the Administrator, Managers and Kuber will be held by the relevant party subject to the Data Protection Act 2018.

The relevant parties will pass personal data to each other and to other parties insofar as is necessary for them to provide their services as set out in the Investor Agreement and to the FCA and any regulatory authority which regulates them and in accordance with all other applicable laws.

Appendix 02

Platform User Agreement

Dividend payments: where you have selected a fund/funds that pay out dividends, a bank transfer fee of £15.00 + VAT will apply and is subject to a £500.00 minimum threshold before the dividends are paid out.

Where the Manager charges a fee directly to you this fee may be reduced. However, where the Manager charges a fee to the Investee Companies it will not be possible for this fee to be reduced. In these circumstances the Manager may arrange to rebate part of their fee received from the Investee Company to the client account for your benefit. This amount can then be used to purchase additional shares in subsequent investee companies.

In some instances, the Manager may allocate you additional shares instead of cash rebates.

Due to the illiquid nature of the underlying investments, you are required to retain sufficient cash on the Platform to cover 3 years ongoing fees due to the Scheme, the underlying managers or your adviser. In the circumstances that there is insufficient cash on account to cover ongoing fees due to the Scheme, fees will be deferred and paid out of dividends received, or proceeds from the sale of an investment.

Manager fees are in addition and outlined in the relevant provider's Information Memorandum. VAT will be added where applicable.

Adviser fees are calculated on a daily basis on net assets under administration and are paid six monthly.

Manager charges may vary, please refer to the appropriate 'Information Memorandum' for full details. In addition, each Manager, or an affiliate of such Manager, may be separately engaged by some or all of the underlying Investee Companies to assist them in carrying on their businesses and/or provide certain administration services, in consideration of which, the manager will receive fees at commercial rates. All of these fees and charges are subject to change.

12. Material interests and conflicts

There may be times when there is a conflict between our interests and the duty we owe to you as a Client, or a conflict between the differing interests of two or more Clients to whom in each case we owe a duty. Under the FCA rules we are required to have in place arrangements with a view to taking all reasonable steps to prevent such conflicts of interest constituting or giving rise to a material risk of damage to the interests of our Clients. We have established a comprehensive conflicts of interest policy to identify and manage such actual or potential conflicts of interest. Where we do not consider that the arrangements under our conflicts of interest policy are sufficient to manage a particular conflict, we will inform you of the nature and/or source of the conflict. Our full conflicts of interest policy is available on request.

Custodian Terms

We have arranged on behalf of your adviser access to the Custodian Services for you. As the Custodian will be holding your client money and/or assets, you are their client for these purposes. By signing the application form you are signing up to receive these services from the Custodian.

The below are the Investor Terms and Conditions included in the agreement between Kuber and the Custodian.

1. These terms (Investor Terms and Conditions)

- 1.1 These are the terms and conditions (the “Terms”) on which we provide our Custodian Services, Receiving Agent Services and/or Nominee Services. They have been provided to you by us, or by your Investment Firm or, in the case of the Nominee Services, the Investee company, to explain to you who we are, how we will provide our Services to you, how you and we may change or end this agreement, what to do if there is a problem and other important information. At the end of these Terms you will find a “Definitions” section which explains the meaning of any capitalised terms used in this document, for example what we mean by referring to “Services”, “Investment”, “Instructions” etc. Please contact us if you are not clear about any of the provisions of these Terms. For the purposes of these Terms, references to “we”, “us”, “our” are references to Woodside Corporate Services Limited and references to “you” or “your” refer to you, the investor, unless otherwise stated.
- 1.2 A legally binding agreement will come into existence between us and you for the provision of our Receiving Agent Services, Custodian Services and/or Nominee Services (as applicable) when we accept your, your Investment Firm or the Investee’s (as applicable) request to provide our Services in connection with your Investment(s).
- 1.3 In respect of the Receiving Agent Services and/or the Custodian Services (if applicable):
 - (a) you hereby confirm that the Investment Firm and/or Investee is authorised by you to give us Instructions on your behalf in respect of your Cash and Investments; and
 - (b) you acknowledge and agree that we are not a party to your contract with your Investment Firm and/or Investee and so we are not responsible for any services and/or advice provided by your Investment Firm and/or Investee.
- 1.4 We reserve the right to reject an Application Form and/or we may refuse to provide our Services at our discretion and will not be required to provide a reason for such refusal. We will have no liability to you, your Investment Firm and/or the Investee for any loss suffered as a result of our refusal to provide our Services.
- 1.5 In some areas you will have different rights under these Terms depending on whether you are a business or a consumer. You are a consumer if:
 - you are an individual; and
 - the Services provided by us will be received by you wholly or mainly for your personal use (not for use in connection with your trade, business, craft or profession).

2. Who we are and how to contact us

- 2.1 We are Woodside Corporate Services Limited, a company registered in England and Wales. Our company registration number is 06171085 and our registered office is at 4th Floor, 50 Mark Lane, London EC3R 7QR. Our VAT number is 927 2216 33.

3. Your status

- 3.1 We have categorised you as a “retail client” for the purposes of the FCA Rules. This gives you the highest level of protection under the FCA Rules. You agree to such categorisation and to being treated as a retail client for the purposes of the FCA Rules and under and in accordance with the provisions of these Terms.
- 3.2 You have the right to request to be re-categorised as a “professional client” for the purposes of the FCA Rules. If you wish to make such a request, please contact us or, if applicable, your Investment Firm, who will submit your request to us on your behalf. 4. Your right to cancel this agreement

- 4.1 If you are a consumer, you may have the right to cancel this agreement, normally within 14 days from the date when this agreement becomes binding. This may be the case for example if this agreement is concluded at a distance (i.e. without your and your Investment Firm’s physical presence at the same time and in the same place). If our Services have been procured for you by your Investment Firm, you should refer to your agreement with the Investment Firm for more details about your cancellation rights.

Appendix 04

Custodian Terms

- 4.2 To cancel your agreement with us under clause 4.1 you will need to send us a notice in writing, prior to the expiry of the 14 calendar days' cancellation period. If you have an Investment Firm, you should submit such notice to your Investment Firm. Your notice does not need to give us any reasons for your cancellation.
- 4.3 You may also be entitled to cancel your contract with the Investment Firm and if you exercise your right to do so, such cancellation will extend to the cancellation of our Services under these Terms.
- 4.4 If you cancel this agreement in accordance with this clause 4, we will return all your uninvested Cash and/or re-register any Investments in your own name (as applicable) promptly, and not later than within 30 calendar days from the receipt of your notice of cancellation. However, if we received Instructions to carry out and complete a Transaction before the end of the 14 calendar days cancellation period, we will be entitled to retain such Cash and/or Investments as may be required to settle any outstanding Transactions.
- 4.5 If you do not cancel this agreement within the 14 calendar days' cancellation period, you will lose your right to cancel under this clause 4. However, you will still be entitled to terminate this agreement under clause 19 (Termination).

5. Identification and verification checks

- 5.1 We are required to comply with our own identification and verification procedures, referred to in these Terms as "know your customer" checks for the purpose of anti-money laundering law, sanctions and other laws and regulations. If the necessary information is not already available to us, we have the right to ask you or your financial adviser or any intermediary named in your Application Form to provide any information and documentation to us that is necessary to comply with all applicable laws and regulations. You agree to provide any reasonably requested information and documentation to us promptly. If you do not provide any requested information and/or documentation to us within 5 calendar days from our request, we will have the right to terminate this agreement in accordance with clause 19.1.2.
- 5.2 We have the right to engage a third party to conduct the "know your customer" checks on our behalf and you agree that we can use credit reference agencies in the performance of this function, which may leave a record.
- 5.3 If our "know your customer" checks are not completed, we have the right to refuse to accept any Instructions, unless and until such checks have been completed to our satisfaction.

- 5.4 You agree that you will notify us promptly (via your Investment Firm, if applicable) of any changes to your name, residential address, email address, telephone number, tax residency and your country of residence, and any other information or documentation provided to us under this clause 5.

6. Giving of Instructions

- 6.1 If you have an Investment Firm:
- 6.1.1 you acknowledge and agree that the Investment Firm is appointed and has sole authority to give us Instructions, which means that we may refuse to accept Instructions received directly from you or from a third party, unless you have notified us of the cancellation of your Investment Firm's authority in accordance with clause 6.1.2;
- 6.1.2 if you wish to change your Investment Firm or withdraw your Investment Firm's appointment to give us Instructions, you must give us a notice in writing and provide proof of your new Investment Firm's (if any) authority to act on your behalf as we may reasonably require. We reserve the right, at our discretion, to refuse to accept your request to change your Investment Firm or withdrawal of your current Investment Firm's authority to give us Instructions, in which case we have the right to terminate our agreement with you under clause 19.1.3;
- 6.1.3 we will not be bound by your notification of appointment of a new Investment Firm or withdrawal of your current Investment Firm's authority under clause 6.1.2 until we notify you in writing of our acceptance of your request.
- 6.2 We can rely on any Instruction which we reasonably believe has been given by you or by your Investment Firm (if applicable) on your behalf, by whatever means, and which is given to us, but shall not be obliged to act in accordance with such Instruction and shall not incur any liability to you for failing to act, delay in acting or error in the carrying out of any Instruction which does not comply with these provisions.
- 6.3 Instructions shall be sent to us by email to info@woodsideseecretaries.co.uk, or by original message delivered by hand or by first class post and shall comply with the following requirements:
- 6.3.1 any written Instructions (whether original or sent by email) must be signed by your Investment Firm and must be sent on the Investment Firm's letter heading;
- 6.3.2 any written Instructions sent by email must be sent from an the Investment Firm's official email address provided in your Application Form, or as otherwise notified to us;

Custodian Terms

- 6.3.3 if, in exceptional circumstances, we accept Instructions directly from you, they must be signed by you or must be sent from your email address provided in your Application Form, or as otherwise notified to us from time to time.
- 6.4 Any Instructions which comply or purport to comply with the above requirements shall be deemed to be valid Instructions and we can rely on them without being required to verify that any signature or purported signature is genuine or whether the author or purported author had actual authority to give such Instructions or whether any such authority had been withdrawn.
- 6.5 We have the right, in our sole discretion, to refuse to act on an Instruction if: (i) we consider any part of it to be unclear or ambiguous; (ii) it does not contain all information which we reasonably require in order to carry out such Instruction; (iii) we are in any doubt as to the authenticity of the Instruction; and/or (iv) we do not hold sufficient Cash and/or Investments (as applicable) to carry out such Instruction.
- 6.6 Any validly given Instructions are irrevocable and cannot be withdrawn or amended unless we, in our sole discretion, agree to such withdrawal or amendment.
- 6.7 Any Instructions must be received by us during normal working hours and in sufficient time prior to the settlement of the Transaction to which they relate. You acknowledge and agree that failure to deliver Instructions in a timely manner may result in a delay in us acting on them.
- 6.8 You must ensure that all your Instructions are correct, complete and sufficient to settle the relevant Transactions. We will not be liable for any errors resulting out of incorrect, incomplete or insufficient Instructions.
- 7. Custodian Services and Receiving Agent Services**
- 7.1 This clause 7 applies in the event we have been engaged to provide Receiving Agent Services and/or Custodian Services in respect of your Investments.
- 7.2 We will follow Instructions to settle Transactions in accordance with these Terms.
- 7.3 We will be responsible for the safekeeping of your Cash and/or Investments (as applicable) in accordance with these Terms. We will use the same reasonable standard of care with respect to the safekeeping of Cash and/or Investments (as applicable) held on your behalf, and collections of funds or other property paid or distributed in respect of such Cash and/or Investments (as applicable), as we use in respect of similar property of our own.
- 7.4 We may be asked by the Investment Firm to:
- process your Application Form(s); and/or
 - record your subscriptions for Investments.
- 7.5 To the extent our Services involve the safekeeping of Cash:
- 7.5.1 Your Cash will be held by us as “client money” for the purposes of the FCA Rules, which means that your Cash will be:
- held in our client bank account which is set up as a statutory trust account. This means that your Cash will be held by us as trust assets in your favour and not as our own property;
 - segregated from our own money;
 - held together with money from our other clients;
 - identifiable from other client’s funds for the purpose of recording your holding of and entitlement to your Cash;
 - unavailable to our creditors in the event of our failure, for example our insolvency; and
 - shared among all our clients whose money is held in such client account in the event of our insolvency in proportion to their entitlement to such money (determined in accordance with the FCA Rules), if there is a shortfall in our client money account.
- 7.5.2 Your Cash will be held in our client bank account with a banking institution of our choice, based in the United Kingdom, European Economic Area state or other jurisdiction as required from time to time. We will exercise due skill, care and diligence in accordance with the FCA Rules when selecting a banking institution for this purpose and will review our selection periodically to ensure that the banking institution is appropriate and adequate to hold client money.
- 7.5.3 In the event the banking institution of our choice becomes insolvent and there is a shortfall in such client money account, you will share proportionally with other creditors of the banking institution, in proportion to your Cash held in such client money account. Please note that the rules could be different if the banking institution where we hold our client money account is not based in the UK.

Custodian Terms

- 7.5.4 Where we have not heard from you or your Investment Firm for a period of six (6) years in respect of your Cash, we will have the right to pay or transfer your Cash to a registered charity of our choice. Before we make such payment or transfer, we will take reasonable steps to contact you either by telephone, post or email at least three times (with at least 28 days breaks between each communication attempt). If, after we have transferred or paid your Cash to a registered charity in accordance with this clause 7.5.4, you make a valid claim in respect of such Cash, we will promptly return the value of this Cash to you.
- 7.6 To the extent our Services involve the safekeeping of Investments:
- 7.6.1 Investments will, unless otherwise agreed in writing, be registered:
- in the name of the Nominee Company; or
 - upon your prior written approval, in our name. Investments will only be registered in our name where, due to the nature of the law or market practice of the overseas jurisdiction, it is, in our reasonable opinion, in your best interests, or it is not feasible to do otherwise. In such circumstances, your Investments may not be segregated from our Investments and, in the event of our default, you may not be as well protected as if the Investments were segregated.
- 7.6.2 Your Investments will always be identifiable as your Investments in our books, even if they are held in the name of the Nominee Company.
- 7.6.3 Where there have been no Instructions from you or on your behalf in respect of an Investment for a period of twelve (12) consecutive years, we will have the right to liquidate the Investment at market value and pay the proceeds to a registered charity of our choice or transfer the Investment to such a registered charity. Before we make such payment or transfer, we will take reasonable steps to contact you either by telephone, post or email at least three times (with at least 28 days breaks between each communication attempt). If, after we have transferred or paid away your Investment to a registered charity in accordance with this clause 7.6.3 you make a valid claim in respect of such Investment, we will promptly return the value of this Investment to you.
- 7.7 In respect of any Transactions:
- 7.7.1 you acknowledge and agree that we settle Transactions based on Instructions given by your Investment Firm on your behalf. We do not provide any advice as to the merits of any Transaction and we do not assess whether any such Transaction is appropriate for you;
- 7.7.2 we will use our reasonable efforts to settle the Transactions in accordance with the Instructions, provided that:
- we hold, receive or have credited to our order all necessary documents (for example board minutes from an Investee company under the Transaction) or Cash in advance of the contractual settlement date and in accordance with our directions; and
 - we receive comprehensive, correct and timely Instructions, in accordance with the provisions of these Terms;
- 7.7.3 in the event we make a payment to any third party pursuant to a valid Instruction and we have not received an appropriate amount of Cash from you (for example, but without limitation, if a cheque is dishonoured, a card payment is reversed or cancelled), you will pay us on demand, by such payment method as we may specify, the shortfall together with any additional costs and/or expenses we may incur;
- 7.7.4 delivery or payment to the other party to a Transaction shall be at your risk. We will not make delivery of Investment and/or payment of Cash (as applicable) to a third party, other than a party to a Transaction, unless specifically Instructed in accordance with these Terms;
- 7.7.5 when a Transaction requires settlement in a currency other than pounds Sterling, we will be entitled to convert the Cash into or out of the relevant currency, at a prevailing rate in the market as chosen by us;
- 7.7.6 you acknowledge and agree that it may take up to three (3) Business Days for payments and delivery of Cash to clear into a UK based account, and it may take longer to clear into an overseas account;
- 7.7.7 if we, in our discretion, settle a Transaction before receiving or having credited to our order any necessary documents or Cash, then pending such receipt or credit, we shall, notwithstanding any entry made in our books, have no obligation to account to you for the relevant Cash and/or Investments (as applicable). If you do not provide the necessary Cash or documents promptly, we may, at our discretion:
- settle the Transaction on its contractual settlement date and charge you and/or the Investment Firm for any costs incurred in doing so;
 - settle the Transaction late and charge you and/or the Investment Firm for any costs incurred as a result of late or failed settlement; or
 - reverse any entry in our books and fail to complete the Transaction;

Appendix 04

Custodian Terms

- 7.7.8 unless we in our discretion decide otherwise, we shall generally operate a settlement system under which your Cash is debited with the purchase cost as of the actual date of settlement with the counterparty or agent concerned, or credited with the proceeds of sale on the actual date of receipt of cleared funds or, if later, after any currency conversion, (irrespective of the contractual date of settlement) and your Investment is credited or debited accordingly; and
- 7.7.9 notwithstanding anything in these Terms to the contrary, any Transaction may be settled in accordance with the customary procedures for such Transaction in the market in which such Transaction occurs, including, without limitation, delivering Investments before payment and paying for Investments before delivery.
- 7.8 Statements
- 7.8.1 Unless we are instructed by your Investment Firm to send such confirmation details or statements directly to you, we will send to your Investment Firm a confirmation setting out the details of any Transaction carried out on your behalf and/or statement of the Investments and/or any Cash (as applicable) held on your behalf, at such frequency as shall be agreed from time to time, and at least once every twelve (12) months but you can instruct the Investment Firm to contact us anytime to ask for such a statement, which we will provide within five (5) Business Days following receipt of such request.
- 8. Nominee Services**
- 8.1 This clause 8 applies to the provision of our Nominee Services and/or in relation to the safekeeping of Investments as part of our Custodian Services.
- 8.2 In the event your Investments are registered in the name of the Nominee Company (or in our name), they will be held by the Nominee Company (or by us) in trust for you. You will remain the beneficial owner of your Investments, which means that the Investments will belong to you, whilst we or the Nominee Company, as the case may be, will hold the legal title to your Investments on your behalf. We will issue a declaration of trust confirming your rights to the Investments.
- 8.3 You agree to provide promptly and not later than within ten (10) Business Days, any information requested by the Investee(s) that the Investee(s) is legally entitled to request, for example to comply with its regulatory obligations. This may include declarations as to your nationality or beneficial ownership declarations.
- 8.4 We will:
- (a) receive all interest, dividends and other payments or distributions in respect of Investments and all sale proceeds, redemption money and capital sums in respect thereof, and shall promptly account to the Investment Firm (or directly to you, if applicable), after deducting any taxes, duties or other sums payable if applicable;
 - (b) surrender Investments against money payable at maturity, disposal, close of the fund or on redemption (as the case may be), in accordance with the Instructions; and
 - (c) use reasonable endeavours to deliver to the Investment Firm all notices and documentation actually received by us and/or the Nominee Company relating to the Investments.
- 8.5 Where you do not have an Investment Firm, we will notify you, on behalf of the Nominee Company, of any meetings of the Investee(s). In the event you wish to instruct the Nominee Company to attend any meetings of the Investee(s) of your Investments, exercise any voting rights attaching to your Investments on your behalf, or carry out any other activity outside the scope of the Nominee Services set out in these Terms, you will notify us in writing in reasonable time (as we may direct). You acknowledge and agree that we may require payment from you or your Investment Firm (if applicable), as we may elect, of a reasonable fee plus reasonable expenses before carrying out any such Instructions.
- 8.6 If we receive any Instructions in respect of any action to be carried out on your behalf (including, but not limited to, exercising voting rights and attending meetings) in our or the Nominee Company's capacity as a nominee, we shall use reasonable efforts to take all steps necessary to comply with such Instructions, provided that such Instructions are received by us in accordance with these Terms. If we receive no Instructions within the appropriate time we (through the Nominee Company) reserve the right to take such actions as the Nominee Company may have offered to take in the absence of such instructions, or if no such action was offered, to act (or refrain from acting) as we and/or the Nominee Company deem fit.
- 8.7 If you wish to transfer your Investments to a third party or into your own name or that of another third-party nominee, we will procure that the Nominee Company takes all reasonable steps necessary to effect the transfer and re-registration in a prompt and timely manner, subject to the receipt of the prior written consent of the relevant Investee (if such consent is required to effect the transfer).

10. Further provisions

To enable us to perform our obligations under these Terms, we may, without further authority from you or your Investment Firm:
