Kuber Recommendation Service

A Whole of Market offering with market leading Due Diligence, Monitoring and Ease of Application

The Kuber Recommendation Service ("KRS") aims to be the tax efficient market's "best advice" service for Advisers, and their clients by extension. It looks at best principals for every element of the tax efficient investment process from due diligence, product selection, suitability letters, application, co-ordinating certificates through to ongoing monitoring, reporting and finally exit and re-investment as required.

The KRS is exclusively available to Advisers:

While advice must still be given by the Adviser to their client, the KRS looks to assist Advisory Firms in making recommendations in this space. The KRS supports the Adviser's advice with comprehensive due diligence, Manager and product selection, product reports, content for suitability letters, suitability support, well diversified, whole of market recommendations, and ongoing monitoring – all with comprehensive and meaningful MiFID II reporting.
